THE CARROLL BROTHERS CHARITABLE FUND

“Striving to Make a Difference”

PO box 4, Chicago Ridge, IL 60415

We are reaching out on behalf of the Carroll Brothers Charitable Fund, a South Side Chicago-based nonprofit founded by Mike Carroll, the surviving Carroll brother, in loving memory of his late brothers, Dan and Steve Carroll, both of whom courageously battled cancer.

After losing Dan and Steve during the holiday season, our family experienced not only profound grief, but also an outpouring of kindness and generosity during one of life's most difficult times. Inspired by that compassion, we created this foundation to give back to the South Side and support families facing similar hardships.

Our mission is simple- to help local families and invest in the neighborhoods that shaped us. We provide financial assistance for everyday living expenses, contribute to cancer research, and offer tuition support to students at local neighborhood high schools. These efforts reflect our commitment to honoring Dan and Steve's legacy while making a meaningful difference in the lives of others.

On August 8, 2026, we will host our 5th Annual Charity Golf Outing at Hickory Hills Country Club, and we would love for you to be part of this special event. To make the outing as impactful as possible, we are inviting individuals and businesses to join us as we pay it forward.

Whether you are able to donate a raffle item or participate through one of our sponsorship opportunities (details enclosed), your support would mean a great deal to us. Every contribution, large or small, helps us continue this mission and celebrate the memory of two truly special people.

For your convenience, we are happy to coordinate a pickup from your business, or donations may be sent to the address listed above.

Thank you for taking the time to consider supporting our cause. We're incredibly grateful, and we hope you'll join us in making this year's outing a great success for our community!

With appreciation,

Mike Carroll &
